

Kerra's Greatest Hits

This sermon was designed as a Power Point Presentation of my recurring themes in preaching. There is a link to that message on the Ashland Presbyterian Church Facebook page if you want to know more.

Theology – Gritty rock ballads that tell it like it is

1. Creation Salad – Lettuce make humankind (All are made in the image of God)
2. One Particular Journey (God is in relationship with each of us)
3. The Presbyterian Scaffolding (We are not God)

Morality – The hymns of the church, how to sing your faith, the *Kum Ba Yah* moments

4. Love is Love (Love of God, Love of Neighbor, Loving Yourself)
5. Be Brave..., Be Kind... (You are a child of God; Everyone else is too)
6. Strangers, Aliens, Friends, Enemies (Love is hard)

Bridge – Folk guitar, Crosby, Stills and Nash vibe

7. Preach from the Questions, Not the Answers

Spirituality/Piety – Could be found in the “new age” section, mystical, classical, often instrumental

8. Quest: The Inner Journey
9. Authentically Kerra; Authentically Ashland
10. Love is Stronger than Death
